

# Vivek Manandhar

Full Stack Developer

## Professional Profile

With over 9 years of experience as a Full Stack Developer, I have developed a deep expertise in both frontend and backend technologies. My extensive experience spans across various industries, allowing me to successfully deliver complex projects from conception to deployment. I am adept at translating business requirements into technical solutions, ensuring high performance, scalability, and user satisfaction.

📍 Based in Kathmandu, Nepal.

## Work Experience

### Lead/Full Stack Developer

Parijat Infotech Pvt. Ltd. Full-Time

📅 Aug 2018 - Present

📍 Maharajgunj, Kathmandu, Nepal

I led a team of developers to ensure timely delivery of projects, efficiently managing multiple projects simultaneously using PHP (Laravel), Java (Spring Boot), and React JS for both client-facing and internal office initiatives. Additionally, I collaborated closely with Japanese clients to thoroughly understand and address their specific project needs and requirements.

### Full Stack / WordPress Developer

Soft1Tech Pvt. Ltd. (Formerly Techroadians) Full-Time

📅 Oct 2016 - Jun 2018

📍 Baneshwor, Kathmandu, Nepal

I have developed numerous websites for clients across various countries, including Australia, the US, and Europe. My focus has been on meeting and exceeding client expectations by delivering websites and applications that fulfill their required functionalities and feature specifications.

### Front-End / WordPress Developer

Techroadians Full-Time

📅 Sep 2014 - Sep 2016

📍 Patan Dhoka, Lalitpur, Nepal

I began my career at Techroadians, collaborating with clients to design and develop websites for both clients and our own company. I worked with both national and international clients, creating customized websites and web applications to meet their specific needs.
